Re: Final Approval - ACT/037/003
Patti Ann Mine - Reclamation Plan

Dear Mr. Wilson:

Enclosed you will find the Mined Lands Reclamation Contract which was approved by the Board of Oil, Gas, and Mining for the Patti Ann Mine. The contract was approved during the September Board meeting. Final approval is therefore completed for work on this mine and Atlas Corporation is in compliance with the Mined Land Reclamation Act.

We recently received information from Mr. Brad Clark on the total reclamation plan being prepared for the Big Indian operation and will begin reviewing this as soon as possible.

We look forward to discussing the blanket contract agreement for the Big Indian mines with you ~~at~~ some future date.

Very truly yours,

DIVISION OF OIL, GAS, AND MINING
